**NOTE: Scrutineers will be required to show this completed form (both pages) to Election Officials present at the voting place UPON REQUEST. If they do not have this form on their person, they WILL NOT be permitted to enter the voting place and serve as a scrutineer.**

---

### IMPORTANT:

- A Candidate is permitted to have one (1) Scrutineer at each voting place. Candidates who enter the voting place are considered to be Scrutineers unless they are entering for the purpose of voting.
- The Election Officials present in the voting place are responsible for the conduct of the voting process and no Candidate/Scrutineer has the right to interfere with Election Officials in the discharge of their duties.
- Anyone creating a disturbance at a voting place will be immediately removed by an Election Official.
- The role of Candidates/Scrutineers in the voting place is to scrutinize the integrity of the process. It is not a communicative role. Therefore, Candidates/Scrutineers are prohibited from speaking directly to voters in the voting place. The use of cell phones or other personal mobile devices within the voting place is also prohibited.
- To avoid disruption of the voting place, Candidates wishing to speak to his/her Scrutineers must do so outside of the voting place. Results of the election will be announced at Town Hall (in the Council Chambers) immediately after the close of the vote (8:00 p.m.) on Voting Day.

**CANDIDATES AND SCRUTINEERS MAY:**

- Enter the voting place 15 minutes before it opens to inspect election equipment, forms and documents relating to the vote (but not so as to delay the timely opening of the voting place).
- Object to a person being added to the Voters' List (Note: a record will be made of all objections, however, the final decision on whether to add an elector to the voters' list, make a revision or issue a voting PIN will be made by the Election Official).
- Be present in the Council Chambers located at 65 Harwood Ave S, Ajax, from 9:00 a.m. to 10:00 a.m. on October 22, 2018 to verify and ensure that total votes cast are at "0"; candidates/scrutineers in attendance shall be requested to sign a document attesting to this fact.

**CANDIDATES AND SCRUTINEERS MAY NOT:**

- Wear campaign material (buttons, hats, T-shirts, etc.), hand-out campaign material, or park a vehicle displaying campaign material in the parking lot of a voting place.
- Sit at the tables provided for Election Officials. Candidates may wish to provide Scrutineers with a clipboard to take notes.
- Speak to voters, touch voting technology (such as laptops), observe how a voter votes or interfere with the voting process.
- Be present when an Election Official assists an incapacitated voter with marking his/her ballot.
- Attempt (directly or indirectly) to interfere with how a voter votes.
- Obtain or attempt to obtain, in a voting place, information about how a voter intends to vote or has voted or communicate any such information.
- Compromise the secrecy of voting.

**CANVASSING PROHIBITION:**

The Town Clerk designates all premises used as official voting places. As the lessee of such premises, and pursuant to the Town's Use of Corporate Resources Policy, electioneering of any nature in or on municipal property including a premises used as a voting place is not permitted. A voting place is deemed to include the entire building and the property on which it is located. Election Officials and Municipal Law Enforcement Officers have been instructed to remove all campaign materials from all designated voting places.
